Subdivision 1 of section 17 of part D of chapter 389 of the laws of 1997 providing for the financing of the correctional facilities improvement fund and the youth facility improvement fund, as amended by section 43 of part UU of chapter 54 of the laws of 2016, reads as follows:

1. Subject to the provisions of chapter 59 of the laws of 2000, but notwithstanding the provisions of section 18 of section 1 of chapter 174 of the laws of 1968, the New York state urban development corporation is hereby authorized to issue bonds, notes and other obligations in an aggregate principal amount not to exceed six hundred forty-seven million sixty-five thousand dollars (\$647,065,000), which authorization increases the aggregate principal amount of bonds, notes and other obligations authorized by section 40 of chapter 309 of the laws of 1996, and shall include all bonds, notes and other obligations issued pursuant to chapter 211 of the laws of 1990, as amended or supplemented. The proceeds of such bonds, notes or other obligations shall be paid to the state, for deposit in the youth facilities improvement fund, to pay for all or any portion of the amount or amounts paid by the state from appropriations or reappropriations made to the office of children and family services from the youth facilities improvement fund for capital projects. The aggregate amount of bonds, notes and other obligations authorized to be issued pursuant to this section shall exclude bonds, notes or other obligations issued to refund or otherwise repay bonds, notes or other obligations theretofore issued, the proceeds of which were paid to the state for all or a portion of the amounts expended by the state from appropriations or reappropriations made to the office of children and family services; provided, however, that upon any such refunding or repayment the total aggregate principal amount of outstanding bonds, notes or other obligations may be greater than six hundred forty-seven million sixty-five thousand dollars (\$647,065,000), only if the present value of the aggregate debt service of the refunding or repayment bonds, notes or other obligations to be issued shall not exceed the present value of the aggregate debt service of the bonds, notes or other obligations so to be refunded or repaid. For the purposes hereof, the present value of the aggregate debt service of the refunding or repayment bonds, notes or other obligations and of the aggregate debt service of the bonds, notes or other obligations so refunded or repaid, shall be calculated by utilizing the effective interest rate of the refunding or repayment bonds, notes or other obligations, which shall be that rate arrived at by doubling the semi-annual interest rate (compounded semi-annually) necessary to discount the debt service payments on the refunding or repayment bonds, notes or other obligations from the payment dates thereof to the date of issue of the refunding or repayment bonds, notes or other obligations and to the price bid including estimated accrued interest or proceeds received by the corporation including estimated accrued interest from the sale thereof.
