Attachment C

Northeastern Queens Nature and Historical Preserve Commission PROGRAM INFORMATION SHEET

Program: Preservation of publicly owned lands, wetlands, and waters along the shoreline of Northeastern Queens, including 1,900 acres of land and 10 miles of shorefront property.

Mandate:

State Statute: Chapter 919 of the Laws of New York, 1973

Mandated Funding Level:

None

Brief Description/History/Background:

The preservation of the lands, wetlands and waters along the shoreline of Northeastern Queens is the sole program of the Northeastern Queens Nature and Historical Preserve Commission. This agency was founded in 1973 with the objective of monitoring and providing environmental oversight to the Northeastern coast line of Queens County and adjacent publicly owned lands, and to protect its natural resources from inappropriate usage. No significant changes have occurred in the 35 years that this agency has been in existence.

Issues:

None.

Population Served:

The citizens of the State of New York; in particular, the residents of Queens County in downstate New York.

Performance Measures:

None. Agency disbursements per regulated acre is the lone financial metric of the agency.
