22 PART H

23 Section 1. Section 2 of the volunteer firefighters' benefit law, as  
24 amended by chapter 476 of the laws of 2018, is amended to read as  
25 follows:

1 § 2. Purpose. One of the finest traditions of American community life  
2 is the service which people render to others [without remuneration].  
3 Volunteer firefighters have long been in the forefront of this group. In  
4 recognition of the unselfish service by these volunteers, government has  
5 undertaken to provide for them and their families some measure of  
6 protection against loss from death or injuries in line of duty. Over the  
7 years there has developed a dual system of benefits when volunteer fire-  
8 fighters are killed or injured. The dual system has caused uncertainty  
9 and confusion. This law establishes a new single system of benefits for  
10 volunteer firefighters and provides for the administration of such  
11 system by the workers' compensation board and the chairman of such  
12 board.

13 It is hereby declared that this chapter is intended to effectuate the  
14 objects and purposes of section eighteen of article one of the state  
15 constitution and that the relationship between the political subdivision  
16 liable for benefits under this chapter and a volunteer firefighter enti-  
17 tled to such benefits is that of employer and employee within the mean-  
18 ing of such provision of the state constitution.

19 § 2. Subdivision 3 of section 3 of the volunteer firefighters' benefit  
20 law, as amended by chapter 458 of the laws of 1996, is amended to read  
21 as follows:

22 3. "Line of duty" means the performance by a volunteer firefighter as  
23 a volunteer firefighter of the duties and activities described in subdi-  
24 vision one of section five of this chapter and the same such duties and  
25 activities performed for a specialized team established pursuant to the  
26 provisions of section two hundred nine-bb of the general municipal law  
27 for which the volunteer firefighter does not receive any remuneration or  
28 a gratuity and shall be deemed to include any date of injury as deter-

1 mined by the workers' compensation board pursuant to the provisions of  
2 section forty-one of this chapter. The following shall not be deemed to  
3 be remuneration or a gratuity: payment of a nominal fee as outlined in  
4 section two hundred-aa of the general municipal law; reimbursement of  
5 expenses for meals, lodging and actual and necessary travel; the receipt  
6 of a mileage allowance in lieu of travel expense; reimbursement of  
7 expenses for registration and tuition fees payable under section seven-  
8 ty-two-g of the general municipal law, and the acceptance of transporta-  
9 tion, food, drink, shelter, clothing and similar items while on duty or  
10 engaged in such activities.

11 § 3. The general municipal law is amended by adding a new section  
12 200-aa to read as follows:

13 § 200-aa. Nominal fee for volunteer firefighters. 1. For purposes of  
14 this section:

15 (a) "fire company" shall have the same meaning as defined in section  
16 three of the volunteer firefighters' benefit law.

17 (b) "nominal fee" means payment to a volunteer firefighter of a  
18 stipend or a fee for a per call or on call basis. The payment of the  
19 nominal fee is not a substitute for compensation and must not be tied to  
20 productivity.

21 (c) "volunteer firefighter" shall have the same meaning as defined in  
22 section three of the volunteer firefighters' benefit law.

23 2. The governing board of a city, town, village or fire district may,  
24 by local law, ordinance or resolution, authorize a fire company to  
25 provide nominal fees to volunteer firefighters for: (a) response to a  
26 fire, alarm of fire, hazardous material incident or other emergency to  
27 which their fire department, fire company, or any unit thereof, either  
28 has responded or would be required or authorized to respond; and (b) for

1 completion of certain training, as identified and published by the  
2 office of fire prevention and control.

3 3. The office of fire prevention and control may make available state  
4 funds through a stipend to volunteer firefighters for completion of  
5 certain firefighter training, as identified and published by the office  
6 of fire prevention and control.

7 § 4. Subdivision 2 of section 517 of the labor law is amended by  
8 adding a new paragraph (j) to read as follows:

9 (j) Any nominal fee paid to a volunteer firefighter pursuant to  
10 section two hundred-aa of the general municipal law.

11 § 5. Subparagraph (m) of the opening paragraph of subdivision 5 of  
12 section 651 of the labor law, as amended by chapter 105 of the laws of  
13 2019, is amended to read as follows:

14 (m) by a federal, state or municipal government or political subdivi-  
15 sion thereof, including volunteer firefighters as defined in section  
16 three of the volunteer firefighters' benefit law;

17 § 6. Section 35 of the civil service law is amended by adding a new  
18 subdivision (l) to read as follows:

19 (l) all volunteer firefighters as defined by section three of the  
20 volunteer firefighters' benefit law.

21 § 7. Subdivision 7 of section 201 of the civil service law is amended  
22 by adding a new paragraph (h) to read as follows:

23 (h) The term "public employee" shall not mean a volunteer firefighter  
24 as defined by section three of the volunteer firefighters' benefit law  
25 for purposes of this article.

26 § 8. Paragraph (c) of subdivision 1 of section 205-g of the general  
27 municipal law, as added by chapter 559 of the laws of 2006, is amended  
28 to read as follows:

1 c. "Line of duty" means the performance by a volunteer firefighter of  
2 the duties and activities described in subdivision one of section five  
3 of the volunteer firefighters' benefit law and the same such duties and  
4 activities performed for a specialized team established pursuant to the  
5 provisions of section two hundred nine-bb of this article for which the  
6 volunteer firefighter does not receive any remuneration or a gratuity  
7 and shall be deemed to include any date of injury as determined by the  
8 workers' compensation board pursuant to the provisions of section  
9 forty-one of the volunteer firefighters' benefit law. The following  
10 shall not be deemed to be remuneration or a gratuity: reimbursement of  
11 expenses for meals, lodging and actual and necessary travel; the receipt  
12 of a mileage allowance in lieu of travel expense; reimbursement of  
13 expenses for registration and tuition fees payable under section seven-  
14 ty-two-g of this chapter, [and] the acceptance of transportation, food,  
15 drink, shelter, clothing and similar items while on duty or engaged in  
16 such activities; and payment of a nominal fee as outlined in section  
17 200-aa of this article.

18 § 9. Section 209-d of the general municipal law, as amended by chapter  
19 476 of the laws of 2018, is amended to read as follows:

20 § 209-d. Contracts for outside service by volunteer fire departments  
21 and companies. Notwithstanding any other provision of law, no contract  
22 shall be made by a municipality or fire district whereby the services of  
23 a volunteer fire department or company are to be supplied outside of  
24 such municipality or fire district to provide (1) fire protection, (2)  
25 emergency service in case of accidents, calamities or other emergencies,  
26 or (3) general ambulance service pursuant to the provisions of section  
27 two hundred nine-b of this article, unless such volunteer fire depart-  
28 ment or company consents thereto. Any such contract may provide for the

1 payment of a portion of the consideration expressed therein to such  
2 volunteer fire department or company to be expended for fire department  
3 or company purposes only. If the municipality or fire district owns all  
4 of the fire apparatus to be used in carrying out the contract, the  
5 portion of the consideration which may be paid to such volunteer fire  
6 department or company shall not exceed thirty-five per centum, unless a  
7 greater portion was being so paid on March fifteenth, nineteen hundred  
8 forty-one, under a contract entered into on or before that date, in  
9 which event a not greater portion than was being paid on said date may  
10 be paid to such volunteer fire department or company in respect to any  
11 contract entered into on or after such date. No payments shall be made  
12 to individual volunteer firefighters as compensation for rendering such  
13 outside service. The payment of a nominal fee to a volunteer firefighter  
14 pursuant to section two hundred-aa of this article shall not constitute  
15 compensation for rendering such outside service.

16 § 10. This act shall take effect immediately.

17 PART I

18 Section 1. Subdivision 7 of section 575 of the executive law is

12 health, the division of criminal justice services, and members of the  
13 New York state interagency task force against human trafficking. In  
14 selecting task force members, the office shall seek diversity in repre-  
15 sentation in membership by people from intersectional identities which  
16 can include diverse cultures, beliefs, abilities and geographic region  
17 or those who have worked with culturally specific or population specific  
18 survivors.

19 (b) The purpose of the task force shall be to develop a model domestic  
20 and gender-based violence policy for counties and the state that fosters  
21 a survivor-centered, culturally responsive, and trauma-informed response  
22 across all systems providing services to victims of domestic and  
23 gender-based violence, by assuring that best practices, policies, proto-  
24 cols and procedures are used to address the issue of domestic and  
25 gender-based violence. Such policy shall also address, including, but  
26 not limited to:

27 (i) how survivors are referred to or access services, with the goal of  
28 creating uniform response by social services districts and community-

1 based providers, hospitals and medical providers, mental health and  
2 substance use providers, including identification, assessment, inter-  
3 vention and referral policies and responses to victims and persons who  
4 cause harm;

5 (ii) creating uniform response and investigation by police agencies  
6 and other criminal justice agencies to gender-based violence, including

26 shall be made by the office to every county and executive state agency  
27 in the state. Upon notification of the availability of such model poli-  
28 cy, the office shall set reasonable timeframes for the submission,

4 subdivision, every county and executive state agency in the state shall  
5 submit a certification to the office.

6 (g) The office shall provide training, technical support, and informa-  
7 tion to implement the development of the model policy developed pursuant  
8 to this subdivision.

9 (h) Nothing contained in this subdivision shall be deemed to prevent  
10 the governing body of a county or locality from designating a local  
11 advisory committee to investigate the issues, work with providers of  
12 domestic and gender-based violence programs and other interested  
13 parties, and to aid in the implementation of the policy required by this  
14 subdivision. Such governing body or advisory committee may request and  
15 shall receive technical assistance from the office for the development  
16 of such a policy. Implementation of the model domestic violence policy  
17 may take place in a form considered appropriate by the governing body of  
18 a county, including guidelines, regulations and local laws.

19 (i) The office, in conjunction with any state agency having oversight  
20 over any local system, shall have authority to oversee compliance with  
21 the model policy developed pursuant to this subdivision and, upon  
22 discovering any compliance concerns, to require corrective actions to  
23 come into compliance with such policy. The office shall survey county  
24 governments every five years after the issuance of such policy to evalu-  
25 ate the effectiveness of such policy, to determine the level of compli-  
26 ance with such model domestic and gender-based violence policy, and  
27 identify any additional steps necessary to aid in the implementation of  
28 such policy.

1 § 2. This act shall take effect on the one hundred eightieth day after  
2 it shall have become a law.

22 PART K

23 Section 1. New York's alcoholic beverage control law was enacted in  
24 1934. Since that time, the law has grown organically to meet the chang-  
25 ing needs of the industry. However, through that growth over the course  
26 of nearly a century, the structure of the law has become unwieldy and

1 inconsistent. Consequently, it is difficult for the industry and regu-  
2 lators to understand, implement, enforce, and comply with the law.

3 The State believes that with an open, transparent legislative review  
4 process, the alcoholic beverage control law can be properly rewritten.  
5 To begin the process of modernizing the state's alcoholic beverage  
6 control laws, the New York State Liquor Authority ("SLA") is hereby  
7 directed to undertake a review of those laws and recommend changes. Such  
8 recommended changes shall focus on clearly and rationally delineating  
9 policies, procedures, criteria, and legal standards that are in current  
10 law but not in an intelligible form. The SLA shall prepare an amended  
11 version of the law containing the proposed changes and post it on their  
12 website for public review.

13 § 2. This act shall take effect immediately.

14 PART L

15 Section 1. The alcoholic beverage control law is amended by adding a  
16 new section 97-d to read as follows:

17 § 97-d. Temporary wholesale permit. 1. Any person may apply to the  
18 liquor authority for a temporary permit to operate any alcoholic bever-  
19 age wholesale business as may be licensed under this chapter. Such  
20 application shall be in writing and verified and shall contain informa-  
21 tion as the liquor authority shall require. Such application shall be  
22 accompanied by a check or draft in the amount of one hundred twenty-five  
23 dollars for such permit.

24 2. Upon application, the liquor authority may issue such temporary  
25 permit when:

1 (a) the applicant has a wholesale license application at the same  
2 premises pending before the liquor authority, together with all required  
3 filing and license fees;

4 (b) the applicant has obtained and provided evidence of all permits,  
5 licenses and other documents necessary for the operation of such a busi-  
6 ness; and

7 (c) any current license in effect at the premises that may not under  
8 law operate concurrently has been surrendered or placed in safekeeping,  
9 or has been deemed abandoned by the authority.

10 3. The liquor authority in granting such permit shall ensure that:

11 (a) issuance of the permit will not inordinately hinder the operation  
12 or effective administration of this chapter;

13 (b) the applicant would in all likelihood be able to ultimately obtain  
14 the manufacturing license being applied for; and

15 (c) the applicant has substantially complied with the requirements  
16 necessary to obtain such license.

17 4. The application for a permit shall be approved or denied by the  
18 liquor authority within forty-five days after the receipt of such appli-  
19 cation.

20 5. A temporary permit shall authorize the permittee to operate a manu-  
21 facturing facility for the manufacture and sale of alcoholic beverages  
22 according to the laws applicable to the type of manufacturing license  
23 being applied for.

24 6. Such temporary permit shall remain in effect for six months or  
25 until the wholesale license being applied for is approved and the  
26 license granted, whichever is shorter. Such permit may be extended at  
27 the discretion of the liquor authority for additional three-month peri-

1 ods of time upon payment of an additional fee of fifty dollars for each  
2 such extension.

3 7. Notwithstanding any provision of law to the contrary, a temporary  
4 permit may be summarily cancelled or suspended at any time if the liquor  
5 authority determines that good cause for cancellation or suspension  
6 exists. The liquor authority shall promptly notify the permittee in  
7 writing of such cancellation or suspension and shall set forth the  
8 reasons for such action.

9 8. The liquor authority in reviewing such application shall review the  
10 entire record and grant the temporary permit unless good cause is other-  
11 wise shown. A decision on an application shall be based on substantial  
12 evidence in the record and supported by a preponderance of the evidence  
13 in favor of the applicant.

14 § 2. This act shall take effect on the ninetieth day after it shall  
15 have become law.

16 PART M

17 Section 1. The opening paragraph of subdivision 2 of section 99-d of  
18 the alcoholic beverage control law, as amended by chapter 560 of the  
19 laws of 2011, is amended to read as follows:

20 Before any change in the members of a limited liability company or the  
21 transfer or assignment of a membership interest in a limited liability  
22 company or any corporate change in stockholders, stockholdings, alcohol-  
23 ic beverage officers, officers or directors, except officers and direc-  
24 tors of a premises licensed as a club or a luncheon club under this  
25 chapter can be effectuated for the purposes of this chapter, there shall  
26 be filed with the liquor authority an application for permission to make

1 such change and there shall be paid to the liquor authority in advance  
2 upon filing of the application a fee of one hundred twenty-eight  
3 dollars. If the authority does not act within ninety days of receipt of  
4 such application, the change shall be deemed approved. Provided, howev-  
5 er, any change which is in violation of any provision of this chapter,  
6 including but not limited to those in sections one hundred one, one  
7 hundred twenty-six, and one hundred twenty-eight of this chapter, may  
8 not be approved or deemed approved.

9 § 2. This act shall take effect immediately.

10 PART N

11 Section 1. The opening paragraph of subdivision 1 of section 110-b of  
12 the alcoholic beverage control law, as amended by chapter 222 of the  
13 laws of 2019, is amended to read as follows:

14 Not [less than thirty nor] more than two hundred [and] seventy days  
15 before filing any of the following applications provided for in this  
16 subdivision, an applicant shall notify the municipality in which the  
17 premises is located of such applicant's intent to file such an applica-  
18 tion. The proof of notification, provided for in subdivisions six and  
19 six-a of this section, must be provided at the time of application;  
20 failure to so provide shall constitute good cause for denial. The  
21 authority may not act to approve any application subject to this section  
22 prior to the passage of thirty days from the date notification was  
23 provided to the municipality. This section shall apply to an  
24 application:

25 § 2. This act shall take effect immediately.

## PART O

2 Section 1. Subdivision 3 of section 97-a of the alcoholic beverage  
3 control law, as amended by chapter 106 of the laws of 2022, is amended  
4 to read as follows:

6 this section may not be issued for any premises that is subject to the  
7 provisions of section sixty-three or seventy-nine of this chapter; a

17 PART S

18 Section 1. Section 57 of the civil service law, as added by chapter  
19 83 of the laws of 1963, is amended to read as follows:

20 § 57. Continuous recruitment for certain positions. Notwithstanding  
21 any other provisions of this chapter or any other law, the civil service  
22 department or a municipal commission may establish a continuing eligible  
23 list for any class of positions for which it finds [inadequate numbers  
24 of well qualified persons available for recruitment] such lists appro-  
25 priate. The civil service department may only establish continuing  
26 eligible lists for any class of positions filled through open compet-

9 in the rank corresponding to his or her final rating on such examina-  
10 tion. The period of eligibility of successful candidates for certifi-  
11 cation and appointment from such continuing eligible list, as a result  
12 of any such examination, shall be fixed by the civil service department  
13 or municipal commission but, except as a list may reach an announced  
14 terminal date, such period shall not be less than one year; nor shall  
15 such period of eligibility exceed four years. Subject to such conditions  
16 and limitations as the civil service department or municipal commission  
17 may prescribe, a candidate may take more than one such examination;  
18 provided, however, that no such candidate shall be certified simultane-  
19 ously with more than one rank on the continuing eligible list. With  
20 respect to any candidate who applies for and is granted additional cred-  
21 it in any such examination as a disabled or non-disabled veteran, and  
22 for the limited purpose of granting such additional credit, the eligible  
23 list shall be deemed to be established on the date on which his or her  
24 name is added thereto.

25 § 2. This act shall take effect immediately.

1 Section 1. Subdivision 1 of section 55-b of the civil service law, as  
2 amended by chapter 603 of the laws of 1995, is amended to read as  
3 follows:

4 1. The commission may determine up to [twelve] seventeen hundred posi-  
5 tions with duties such as can be performed by persons with a physical or  
6 mental disability who are found otherwise qualified to perform satisfac-

8 positions shall be classified in the noncompetitive class, and may be  
9 filled only by persons who shall have been certified by the employee  
10 health service of the department as being a person with either a phys-  
11 ical or mental disability. The number of persons appointed pursuant to  
12 this section shall not exceed [twelve] seventeen hundred.

13 § 2. Section 55-b of the civil service law is amended by adding a new  
14 subdivision 3 to read as follows:

15 3. Those employees hired under subdivision one of this section shall

18 fifty-two of this title and section seventy of this chapter.

19 § 3. Section 55-c of the civil service law, as amended by chapter 603  
20 of the laws of 1995, is amended by adding a new subdivision 4 to read as  
21 follows:

22 4. Those employees hired under subdivision one of this section shall  
23 be afforded the opportunity to transfer into competitive class positions

2 and rules, as amended by chapter 831 of the laws of 2021, is amended to  
3 read as follows:

4 (a) [Interest shall be at the rate of nine per centum per annum,  
5 except where otherwise provided by statute; provided] Notwithstanding  
6 any other provision of law or regulation to the contrary, including any  
7 law or regulation that limits the annual rate of interest to be paid on  
8 a judgment or accrued claim, the annual rate of interest to be paid on a  
9 judgment or accrued claim shall be calculated at the one-year United  
10 States treasury bill rate. For purposes of this section, the "one-year  
11 United States treasury bill rate" means the weekly average one-year  
12 constant maturity treasury yield, as published by the board of governors  
13 of the federal reserve system, for the calendar week preceding the date  
14 of the entry of the judgment awarding damages; provided however, that  
15 this section shall not apply to any provision of the tax law which  
16 provides for the annual rate of interest to be paid on a judgment or  
17 accrued claim. Provided, however, the annual rate of interest to be paid  
18 in an action arising out of a consumer debt where a natural person is a  
19 defendant shall be two per centum per annum (i) on a judgment or accrued  
20 claim for judgments entered on or after the effective date of [the]  
21 chapter eight hundred thirty-one of the laws of two thousand twenty-one  
22 [which amended this section], and (ii) for interest upon a judgment  
23 pursuant to section five thousand three of this article from the date of  
24 the entry of judgment on any part of a judgment entered before the  
25 effective date of [the] chapter eight hundred thirty-one of the laws of  
26 two thousand twenty-one [which amended this section] that is unpaid as  
27 of such effective date.

1 § 2. Section 16 of the state finance law, as amended by chapter 681 of  
2 the laws of 1982, is amended to read as follows:

3 § 16. Rate of interest on judgments and accrued claims against the  
4 state. The rate of interest to be paid by the state upon any judgment  
5 or accrued claim against the state shall [not exceed nine per centum per  
6 annum] be calculated at the one-year United States treasury bill rate.  
7 For the purposes of this section, the "one-year United States treasury  
8 bill rate" means the weekly average one-year constant maturity treasury  
9 yield, as published by the board of governors of the federal reserve  
10 system, for the calendar week preceding the date of the entry of the  
11 judgment awarding damages. Provided however, that this section shall not  
12 apply to any provision of the tax law which provides for the annual rate  
13 of interest to be paid on a judgment or accrued claim.

14 § 3. This act shall take effect immediately, and shall be deemed to  
15 have been in full force and effect on and after April 1, 2023.

16 PART V

2 retirement and social security law, as amended by chapter 48 of the laws  
3 of 2017, are amended to read as follows:

4 (2) For any given fiscal year for which (i) the system actuarial  
5 contribution rate exceeds nine and one-half percent of payroll as of the  
6 end of the previous fiscal year, and (ii) an employer's average actuari-  
7 al contribution rate exceeds the [system] employer's graded contribution  
8 rate or the alternative [system] employer's graded contribution rate,  
9 the balance in the employer's account within such fund shall be applied  
10 to reduce the employer's payment to the retirement system for such  
11 fiscal year in an amount not to exceed the difference between the  
12 employer's actuarial contribution and the employer's graded contribution  
13 for the fiscal year.

14 (3) Notwithstanding the provisions of paragraph two of this subdivi-  
15 sion, if at the close of any given fiscal year the balance of an employ-  
16 er's account within the fund exceeds [one hundred percent of] the  
17 employer's [payroll] actuarial contribution for the previous fiscal  
18 year, [the excess shall be applied to reduce the employer's payment to  
19 the retirement system for the next succeeding fiscal year] no graded  
20 payment shall be required or allowed.

21 § 2. Section 19-a of the retirement and social security law is amended  
22 by adding a new subdivision f to read as follows:

23 f. (1) An amortizing employer may elect to terminate participation in  
24 the contribution stabilization program provided that such employer shall  
25 have paid in full all such prior year amortization amounts including  
26 interest as determined by the comptroller. Furthermore, any amortizing

28 zation program may re-enter the program in a year in which the employer

1 is eligible to amortize and their employer contribution reserve fund has  
2 been depleted.

3 (2) An alternative amortizing employer may elect to terminate partic-  
4 ipation in the alternative contribution stabilization program provided  
5 that such employer shall have paid in full all such prior year amorti-  
6 zation amounts including interest as determined by the comptroller.  
7 Furthermore, any alternative amortizing employer that has terminated  
8 participation in the alternative contribution stabilization program may  
9 not re-enter the alternative contribution stabilization program;  
10 provided, however, such employer may enter the regular contribution  
11 stabilization program as set forth in paragraph one of this subdivision.

12 (3) In order to terminate participation in the contribution stabiliza-  
13 tion or alternative contribution stabilization program, such employer  
14 must file an election on a form prescribed by the comptroller. Such  
15 election is subject to review and approval by the comptroller.

16 (4) Termination shall take effect for the fiscal year billing cycle  
17 following the fiscal year of approval. An employer who has been approved  
18 to terminate from the contribution stabilization or alternative contrib-  
19 ution stabilization program pursuant to this section shall not be  
20 required to make a graded payment starting in the following fiscal year  
21 billing cycle.

22 (5) In the event an employer in the contribution stabilization program  
23 or alternative contribution stabilization program terminates partic-  
24 ipation pursuant to this section, any such balance in their employer  
25 contribution reserve fund shall be applied to the employer's annual bill  
26 in the maximum amount permitted under paragraph two of subdivision e of  
27 this section, for the following fiscal year and continue to be applied  
28 to future annual bills until the reserve fund is depleted.

1 § 3. Paragraphs 2 and 3 of subdivision e of section 319-a of the  
2 retirement and social security law, as amended by chapter 48 of the laws  
3 of 2017, are amended to read as follows:

4 (2) For any given fiscal year for which (i) the system actuarial  
5 contribution rate exceeds seventeen and one-half percent of payroll as  
6 of the end of the previous fiscal year, and (ii) for which an employer's  
7 average actuarial contribution rate exceeds the employer's graded  
8 contribution rate or the alternative [system] employer's graded contrib-  
9 ution rate, the balance in the employer's account within such fund shall  
10 be applied to reduce the employer's payment to the retirement system for  
11 such fiscal year in an amount not to exceed the difference between the  
12 employer's actuarial contribution and the employer's graded contribution  
13 for the fiscal year.

14 (3) Notwithstanding the provisions of paragraph two of this subdivi-  
15 sion, if at the close of any given fiscal year the balance of an employ-  
16 er's account within the fund exceeds [one hundred percent of] the  
17 employer's [payroll] actuarial contribution for the previous fiscal  
18 year, [the excess shall be applied to reduce the employer's payment to  
19 the retirement system for the next succeeding fiscal year] no graded  
20 payment shall be required or allowed.

21 § 4. Section 319-a of the retirement and social security law is  
22 amended by adding a new subdivision f to read as follows:

23 f. (1) An amortizing employer may elect to terminate participation in  
24 the contribution stabilization program provided that such employer shall  
25 have paid in full all such prior year amortization amounts including  
26 interest as determined by the comptroller. Furthermore, any amortizing  
27 employer that has terminated participation in the contribution stabili-  
28 zation program may re-enter the program in a year in which the employer

1 is eligible to amortize and their employer contribution reserve fund has  
2 been depleted.

3 (2) An alternative amortizing employer may elect to terminate partic-  
4 ipation in the alternative contribution stabilization program provided  
5 that such employer shall have paid in full all such prior year amorti-  
6 zation amounts including interest as determined by the comptroller.  
7 Furthermore, any alternative amortizing employer that has terminated  
8 participation in the alternative contribution stabilization program may

12 (3) In order to terminate participation in the contribution stabiliza-

15 election is subject to review and approval by the comptroller.

16 (4) Termination shall take effect for the fiscal year billing cycle  
17 following the fiscal year of approval. An employer who has been approved  
18 to terminate from the contribution stabilization or alternative contrib-  
19 ution stabilization program pursuant to this section shall not be  
20 required to make a graded payment starting in the following fiscal year  
21 billing cycle.

22 (5) In the event an employer in the contribution stabilization program  
23 or alternative contribution stabilization program terminates partic-  
24 ipation pursuant to this section, any such balance in their employer  
25 contribution reserve fund shall be applied to the employer's annual bill  
26 in the maximum amount permitted under paragraph two of subdivision e of  
27 this section, for the following fiscal year and continue to be applied  
28 to future annual bills until the reserve fund is depleted.

1 § 5. This act shall take effect immediately, and shall be deemed to  
2 have been in full force and effect on and after April 1, 2023.

FISCAL NOTE.--Pursuant to Legislative Law, Section 50:

This bill would revise the terms of participation in the New York State and Local Retirement Systems (NYSLRS) Contribution Stabilization Program (CSP). Participating employers in the NYSLRS may enter the CSP to reduce volatility in average annual contribution rates. Should employer billing rates increase rapidly, the CSP allows a portion of the increase to be amortized over 10 years for the regular CSP or 12 years for the alternative CSP. Should employer billing rates decrease rapidly, the CSP requires employers to make an additional contribution, called a graded payment. The graded payment is deposited into an interest-bearing reserve fund held within the NYSLRS for the exclusive use by the employer to reduce future amortizations.

This bill revises the CSP in the following ways:

1) Limits the value of the reserve fund assets. Graded payments would cease when the employer's reserve fund assets exceed the employer's actuarial contribution in the prior fiscal year. Currently, the reserve fund is capped at 100% of the employer's payroll.

2) Creates provisions for termination from the CSP, subject to approval by the Comptroller, provided all prior year amortizations are paid in full, including interest. Beginning the fiscal year following termination, the employer would not be required (or allowed) to make a graded payment. Any existing reserve fund assets would be used to reduce future annual bills up to the amount the employer would have been able to amortize if still in the program. The employer would be permitted to re-enter the regular CSP only if eligible to amortize, provided all reserve fund assets are depleted.

3) Allows an employer to utilize its reserve fund assets to pay a portion of its annual bill when the employer's average actuarial contribution rate exceeds the employer's graded rate. Currently, the employer's average actuarial rate must exceed the System graded rate.

If this bill is enacted during the 2023 legislative session, we anticipate some administrative costs to implement the provisions of this legislation.

12 § 31. Paragraph (c) of subdivision 19 of section 1680 of the public  
13 authorities law, as amended by section 34 of part FFF of chapter 56 of  
14 the laws of 2022, is amended to read as follows:

15 (c) Subject to the provisions of chapter fifty-nine of the laws of two  
16 thousand, the dormitory authority shall not issue any bonds for state  
17 university educational facilities purposes if the principal amount of  
18 bonds to be issued when added to the aggregate principal amount of bonds  
19 issued by the dormitory authority on and after July first, nineteen  
20 hundred eighty-eight for state university educational facilities will  
21 exceed [sixteen billion six hundred eleven million five hundred sixty-  
22 four thousand dollars \$16,611,564,000] seventeen billion nine hundred  
23 thirty-seven million five hundred sixty-four thousand dollars  
24 \$17,937,564,000; provided, however, that bonds issued or to be issued  
25 shall be excluded from such limitation if: (1) such bonds are issued to  
26 refund state university construction bonds and state university  
27 construction notes previously issued by the housing finance agency; or  
28 (2) such bonds are issued to refund bonds of the authority or other

1 obligations issued for state university educational facilities purposes  
2 and the present value of the aggregate debt service on the refunding  
3 bonds does not exceed the present value of the aggregate debt service on  
4 the bonds refunded thereby; provided, further that upon certification by  
5 the director of the budget that the issuance of refunding bonds or other  
6 obligations issued between April first, nineteen hundred ninety-two and  
7 March thirty-first, nineteen hundred ninety-three will generate long  
8 term economic benefits to the state, as assessed on a present value

10 noted above. For purposes of this subdivision, the present value of the

14 at by doubling the semi-annual interest rate (compounded semi-annually)  
15 necessary to discount the debt service payments on the refunding bonds  
16 from the payment dates thereof to the date of issue of the refunding  
17 bonds to the purchase price of the refunding bonds, including interest  
18 accrued thereon prior to the issuance thereof. The maturity of such

26 issuance of such note. The legislature reserves the right to amend or  
27 repeal such limit, and the state of New York, the dormitory authority,  
28 the state university of New York, and the state university construction

1 fund are prohibited from covenanting or making any other agreements with  
2 or for the benefit of bondholders which might in any way affect such

16 nity college facilities, except to refund or to be substituted in lieu  
17 of other bonds in relation to city university community college facili-  
18 ties will exceed the sum of four hundred twenty-five million dollars and  
19 (ii) the dormitory authority shall not deliver a series of bonds issued

23 substituted for or in lieu of other bonds in relation to city university  
24 facilities and except for bonds issued pursuant to a resolution supple-  
25 mental to a resolution of the dormitory authority adopted prior to July  
26 first, nineteen hundred eighty-five, if the principal amount of bonds so  
27 to be issued when added to the principal amount of bonds previously  
28 issued pursuant to any such resolution, except bonds issued to refund or

1 to be substituted for or in lieu of other bonds in relation to city

23 the state, relating to a locally sponsored community college.

24 § 34. Subdivision 1 of section 17 of part D of chapter 389 of the laws  
25 of 1997, relating to the financing of the correctional facilities
